

COMPONENTS

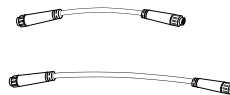

- Mains input, 3 m (9.8'), open cable
Code: VAL030

- End-cap (IP64), 0,14 m (0.45')
Code: VAL032

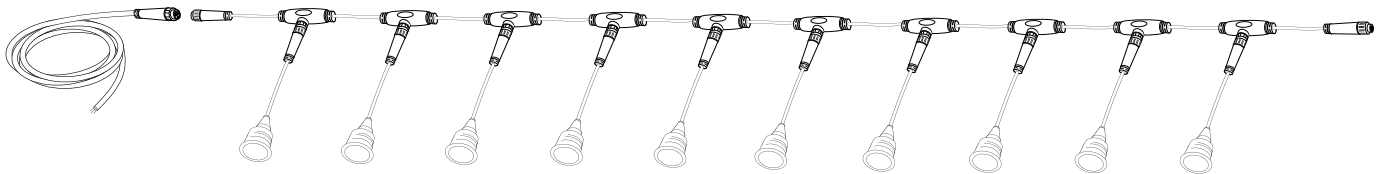

- T cable
longer side 0,3 m (1')
shorter side 0,2 m (0.6')
Code: VAL031

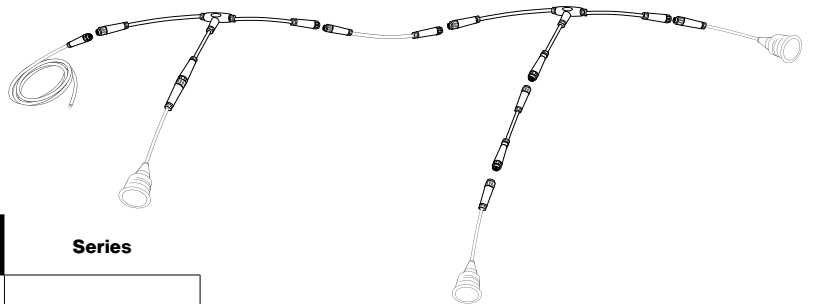

- Optional extensions
short - 0,5 m (1.6')
Code: VAL034
long - 1 m (3.3')
Code: VAL033

- Cable set for 10 L-tubes: including 1 x 10-tube cable (15 m), 1 x mains input (3 m), 10 x end-caps
Code: 9AEC0004

CHAIN

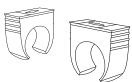

T cables and extensions come with 'male' end on one side and 'female' on another. This enables combining them in whatever configuration the customer needs.

Maximum number of end-caps in a single chain:		L10	L14	L18	L28	L35	Series
Nominal supply voltage (VAC)	120	75	54	42	27	21	Quantity
	208	131	93	72	46	37	
	230	144	103	80	51	41	
	240	151	108	84	54	43	
	277	174	124	96	62	49	

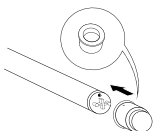

ACCESSORIES

A set of two clips and one dummy cap come per tube (at additional charge).

- Two plastic clips used for fixing the tube to the ceiling/frame/etc. They have a screw hole in the middle. Screws are not included.

Code: VAL-018 (one piece)

- Dummy end-cap to close the other tube end (IP64).

Code: YF9898
