

COMPONENTS

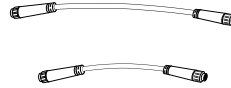

- Mains input, 3 m (9.8'), open cable
Code: VAL030 12

- End-cap (IP64), 0,14 m (0.45')
Code: VAL032 12

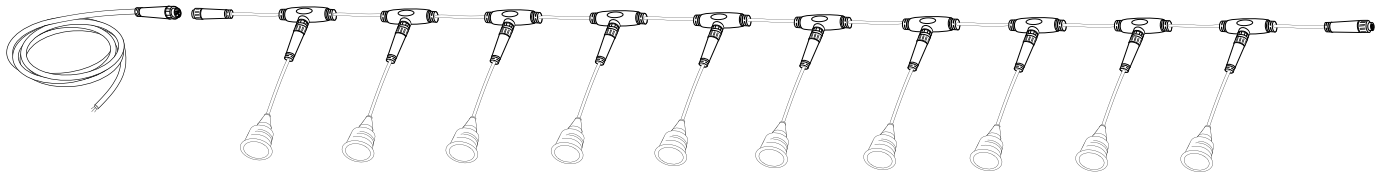

- T cable
longer side 0,3 m (1')
shorter side 0,2 m (0.6')
Code: VAL031 12

- Optional extensions
long - 1 m (3.3')
Code: VAL033 12
short - 0,5 m (1.6')
Code: VAL034 12

- Cable set for 10 L-tubes: including 1 x 10-tube cable (15 m), 1 x mains input (3 m), 10 x end-caps
Code: 9AEC0004

CHAIN

T cables and extensions come with 'male' end on one side and 'female' on another. This enables combining them in whatever configuration the customer needs.

L-Series product						Nominal supply voltage (VAC)
L10	L14	L18	L28	L35		
Maximum number of fixtures in a single chain						
82	58	45	29	23	120	
142	101	79	50	40	208	
157	112	87	56	44	230	
164	117	91	58	46	240	
189	135	105	67	54	277	

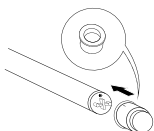

ACCESSORIES

A set of two clips and one dummy cap come per tube (at additional charge).

- Two plastic clips used for fixing the tube to the ceiling/frame/etc. They have a screw hole in the middle. Screws are not included.

Code: VAL-018 12 (one piece)

- Dummy end-cap to close the other tube end (IP65).

Code: YF9898 12
